

Desktop App Final Changes WireFrame

A hand-drawn wireframe of a login form. The form is enclosed in a rounded rectangle. At the top, the word "Login" is written in a large, simple font. Below it, the label "Username:" is followed by a text input field containing the text "User". Below that, the label "Password:" is followed by a password input field represented by four dots. Under the password field, there is a checkbox labeled "Show Password". At the bottom of the form, there is a button labeled "Login".
